Dear Mr. Blake:

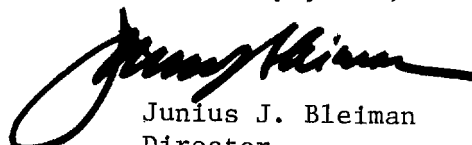

I am writing to invite your nomination of career officials for selection by the Woodrow Wilson School as Princeton Fellows in Public Affairs for the academic year 1974-75, under our Educational Program for Federal Officials at Mid-Career. The Mid-Career Program, a one-year non-degree program, is described in detail in the enclosed brochure. I would particularly call your attention to pages 3 to 9 of the brochure which cover the purpose and content of the program.

In our program for Princeton Fellows, we have emphasized the selection of persons at the GS-15 level (with a few at the super-grade level and a few below GS-15) who have demonstrated their capacity to accept and discharge increasingly high levels of responsibility. In essence, we are looking for people who have growth potential to levels well up in the supergrades.

Procedures for nominations and details of fellowships are described on pages 12 and 13 of the enclosed brochure. The deadline for nominations is February 1st. Each application should be complete and must include the statements called for on the reverse side of the application form. It would be helpful if the application is accompanied by a transcript of the academic record of the nominee. However, the nominee could provide that transcript directly to us, but no later than February 15, as indicated on the application form.

A supply of brochures and application forms is being mailed to you under separate cover. If you have any questions about the program, I would be glad to answer by phone (609) 452-4838 or, if you prefer to have me come to see you in your office during one of my trips to Washington, I shall be happy to do so.

Sincerely yours,

Junius J. Bleiman
Director
Mid-Career Program
